NOTES:

The following are examples to assist you in completing your application.

Maximum of two pages for your CV – if more than two pages, only the first two pages will be provided to OPA's Governance and Nominating Committee members to review.

1. List all degrees and professional designations (e.g. R. Ph., MD, PhD, B. Sc. Pharm., B. Sc. etc.).
2. List all degrees or certifications outside your primary designations as listed in question 1 (e.g. MBA, Pharm D, disease state certifications [CDE, CRE, etc.]).
3. Include experience both with OPA and external to OPA. For external experience, please provide supplemental descriptive information (committee role, mandate, and organization).
4. List any experience or qualifications with respect to general accounting, investment, audit and/or pharmacy finance.
5. Outline any experience or qualifications with respect to succession planning, networking, recruiting, team building, and/or governance structure and principles (certificates, educational exposure, and experience).
6. Identify any skills, experience, or certifications in human resources, performance appraisals, goal setting, and/or wages and benefits.
7. List any certifications or experience in communications, teaching, negotiation, problem solving, and/or teamwork.
8. Please list any other attributes you believe will be beneficial to your participation on a committee/working group.
