Biography

Ramon Goomber is an award-winning pharmacist and strategic leader with 18 years of experience across community pharmacy, specialty care, and clinical innovation. As Head of Pharmacy & Clinical Practice Innovation at GSK, he drives systemic transformation in national immunization, oncology, and specialty disease management. A steadfast advocate for expanded scope, Ramon recently partnered with the OPA to successfully secure RSV injection authority for Ontario's pharmacists. Deeply committed to the future of the profession, he serves on the Dean's Advisory Council at the Leslie Dan Faculty of Pharmacy and the Board of the Canadian Foundation for Pharmacy. Ramon brings a systems-level perspective and a passion for empowering pharmacists to practice at their full potential to enhance patient outcomes.
